As a reminder, your donations will be split into three streams:

1. Setting up projects that generate steady income
2. Supporting those in need of immediate relief
3. Charity startup costs

### 1. **Projects Generating Steady Income:**

**Selected Project:** The father owns a commuter bus and needed money to repair and register the bus. The bus will generate steady income for the family.

**Amount sent:** \$556 CAD

**Update:** The registration of the bus has been delayed. Our local volunteers have gone to customs numerous times to try to register the bus but closures and intentional delays by the party controlling the customs office has prevented them from registering the bus.

**Selected Candidate:** A family, consisting of a mother and five children, are on the brink of being homeless. The mother is divorced but the father does not provide any financial support. The daughter requires medical treatment. The four children are in school and the oldest son (18 years) has left school to provide for his family. That coupled with the absence of a father figure has taken a mental toll on him. He currently sells tea by setting up a table in front of their home but he wishes to set up a shop for a more stable income. The mother sells dresses that were donated to her but faces struggles with meeting daily needs. Her wish is to have a place without the fear of being kicked out looming over them.

**Amount to be sent:** TBD

### 2. **Immediate Relief:**

**Selected Candidate:** Muna Fadel Abdo, a single mom of two boys, is unable to work due to a car accident that left half of her body paralyzed. Donations are needed to cover medical expenses (wheelchair, medications, etc.) for the mom, school supplies & clothes for her kids, and debt payments.

**Amount sent:** \$295 CAD

**Update:** Marsilya has successfully delivered the donations to Muna. The donations were used to cover medical treatments, doctor visits, and daily needs.

- 3. Charity Startup Costs:**  
No costs for this month.
