As a reminder, your donations will be split into three streams:

1. Setting up projects that generate steady income
2. Supporting those in need of immediate relief
3. Charity startup costs

**1. Projects Generating Steady Income:**

**Selected Project:** The father owns a commuter bus and needed money to repair and register the bus. The bus will generate steady income for the family.

**Amount sent:** \$556 CAD (this included transfer and volunteer fees - volunteer fees are used by our local volunteers for mostly transportation to enable them to follow up with the families in need)

**Update:** Our volunteers are working with the father to register and repair the bus. The registration process is currently in progress.

**2. Immediate Relief:**

**Selected Candidate:** Single mom of two boys who is unable to work due to a car accident that left half of her body paralyzed. Donations are needed to cover medical expenses (wheelchair, medications, etc.) for the mom, school supplies & clothes for her kids, and debt payments.

**Amount to be sent:** The amount will be determined after August donations are received.

**3. Charity Startup Costs:**

No costs for this month.
