### 1. Projects Generating Steady Income:

**Selected Project:** The father owns a commuter bus and needs money to repair and register the bus.

**Amount needed:** 200,000 rials

**Family situation:** The entire family of 5 with a baby on the way lives in a one-bedroom house with one bathroom and no kitchen. The father is unable to work due to a local campaign that requires the registration of all buses.

**What is being done:** Donations will be sent this month to support the family to cover the cost of registering and repairing the bus.

### 2. Immediate Relief:

We are still working with our volunteers in Yemen to identify cases in need of immediate relief. We will be providing updates on selected cases next month.
